**The above cost will include majority of services listed below:**

The work will involve:

- Discussing your circumstances in detail and confirming whether this is the most appropriate application for you to make and what other options may be available to you;

- Giving you advice about the requirements of the Immigration Rules and whether you meet the criteria; if you do not fulfil certain criteria, whether this can be overcome and how;
- Considering the supporting evidence, you have provided;
- Where necessary, helping you obtain further evidence (such as medical records and bank statements), including taking statements of any witnesses;
- Prior advice on Home Office interview: if the Home Office ask you to attend an interview, we will give you clear advice (and discuss the possibility of us attending with you; please see below) at the appropriate time;
- Preparing your application and submitting it on your behalf;
- Giving you advice about the outcome of the application and any further steps you need to take.

**The costs above do not include:**

- Any Home Office fees for making the application. You will pay this to the Home Office directly as part of the application process.
- Where the Home Office refuse your application, advice and assistance in relation to any appeal.
- Disbursements are costs related to your matter that are payable to third parties, such as visa fees or international postage costs. We handle the payment of the disbursements on your behalf to ensure a smoother process.
- Interpreters fees will vary per hour. The number of hours required will depend on the complexity of your case.
- Independent expert reports e.g. medical experts. These are not required in many cases: we will let you know as soon as possible if we consider an expert report is necessary.
- If there is an Home Office interview and we do attend with you, there will be additional disbursements in respect of our travel time and expenses.

**\*Please note:** All of the above fees vary from matter to matter and can on occasion be significantly more than the ranges given above. We can give you an accurate figure once we have sight of your specific documents and circumstances.
